Vetralia Componenti S.p.A., a company incorporated under the laws of Italy, with registered office at Via dell'Industria 44, 25126 Brescia (BS), Italy, VAT No. 02883470987 (the "Supplier"); and

Iberia Drivetrain, S.L., a company incorporated under the laws of Spain, with registered office at Carrer de la Marina 210, 08013 Barcelona, Spain, Tax ID (NIF) B-66xxxxxx (the "Distributor").

The Supplier and the Distributor are hereinafter referred to individually as a "Party" and collectively as the "Parties".

Recitals

WHEREAS, the Supplier designs and manufactures precision mechanical components for the automotive and industrial sectors and owns or controls the intellectual property rights relating thereto;

WHEREAS, the Distributor is engaged in the marketing and distribution of automotive and industrial components in the Iberian market and has represented that it possesses the organisation, technical competence and financial standing required to promote and resell the Products in the Territory;

WHEREAS, the Parties wish to set out the terms and conditions under which the Distributor will purchase the Products from the Supplier and resell them in its own name and on its own account within the Territory;

NOW, THEREFORE, in consideration of the mutual covenants set out below, the Parties agree as follows.

1. Definitions

1.1 "Products" means the products listed in Annex 1, as amended from time to time by written agreement of the Parties.

1.2 "Territory" means the geographical area described in Annex 2, namely the Kingdom of Spain and the Portuguese Republic.

1.3 "Minimum Purchase Target" means the minimum aggregate value of Products to be purchased by the Distributor in each contract year, as set out in Annex 3.

1.4 "Trademarks" means the trademarks, trade names and logos of the Supplier notified to the Distributor for use in connection with the Products.

2. Appointment and Territory

2.1 The Supplier hereby appoints the Distributor, and the Distributor accepts the appointment, as its distributor for the resale of the Products in the Territory, upon the terms and conditions of this Agreement.

2.2 The Distributor shall purchase the Products from the Supplier and resell them in its own name, on its own account and at its own risk. The Distributor shall have no authority to enter into any contract or incur any obligation on behalf of, or otherwise to bind, the Supplier.

2.3 The Distributor shall not, without the prior written consent of the Supplier, actively market, sell or distribute the Products outside the Territory, nor establish any branch or maintain any distribution depot for the Products outside the Territory.

3. Exclusivity and Reservations

3.1 Subject to the Distributor's compliance with its obligations under this Agreement, and in particular with the Minimum Purchase Target, the appointment under Clause 2.1 is exclusive. During the term the Supplier shall not appoint any other distributor for the Products in the Territory, nor itself actively solicit sales of the Products in the Territory.

3.2 Notwithstanding Clause 3.1, the Supplier reserves the right to: (a) supply the Products directly to original equipment manufacturers and pre-existing key accounts listed in Annex 2; (b) fulfil unsolicited orders received directly from customers in the Territory through the Supplier's own website; and (c) continue to sell components that are not Products.

3.3 If in any contract year the Distributor fails to meet the Minimum Purchase Target, the Supplier may, in its discretion and as its sole remedy for such failure, upon sixty (60) days' prior written notice and failing cure within such period, convert the appointment to non-exclusive or reduce the Territory, without prejudice to Clause 14.

4. Products

4.1 The Products, together with their reference codes and specifications, are set out in Annex 1. The Supplier may modify, discontinue or add Products upon reasonable prior notice to the Distributor, provided that any discontinuation shall not affect orders already accepted.

5. Orders, Prices and Payment

5.1 The Distributor shall place orders in writing. Each order shall be binding on the Supplier only upon written acceptance. The Supplier shall use reasonable efforts to accept and fulfil orders consistent with the forecasts provided by the Distributor.

5.2 Prices are the Supplier's transfer prices set out in the price list in force at the date of order acceptance, exclusive of VAT, and are expressed in Euro (EUR). The Supplier may revise the price list once per contract year upon not less than sixty (60) days' notice.

5.3 Unless otherwise agreed, payment shall be made by bank transfer within sixty (60) days from the date of invoice. Overdue amounts shall bear interest in accordance with Italian Legislative Decree No. 231/2002 implementing Directive 2011/7/EU on late payment.

6. Delivery and Title

6.1 Unless otherwise agreed in writing, the Products shall be delivered FCA Brescia (Incoterms 2020). Risk shall pass to the Distributor upon delivery in accordance with the applicable Incoterm; title shall pass upon full payment of the price.

6.2 Delivery dates are estimates and time shall not be of the essence, save as expressly agreed in writing for a specific order.

7. Obligations of the Distributor

7.1 The Distributor shall use its best efforts to promote and increase the sale of the Products throughout the Territory, and shall maintain an adequate sales organisation, an appropriate stock of Products and spare parts, and a suitable after-sales service.

7.2 The Distributor shall provide the Supplier with quarterly reports on sales, stock levels, market conditions and competing products, together with a non-binding rolling forecast of its requirements.

7.3 During the term the Distributor shall not manufacture, market or distribute in the Territory any products that compete with the Products without the Supplier's prior written consent.

7.4 The Distributor shall comply with all applicable laws and with the Supplier's reasonable instructions concerning the presentation and technical use of the Products, and shall not make any representation or warranty in respect of the Products beyond those given by the Supplier.

8. Obligations of the Supplier

8.1 The Supplier shall supply the Products in accordance with accepted orders, provide the Distributor with reasonable technical and commercial support, product documentation and training, and inform the Distributor of any material change to the Products.

9. Trademarks and Intellectual Property

9.1 The Supplier grants the Distributor a non-exclusive, non-transferable licence to use the Trademarks in the Territory solely for the purpose of marketing and reselling the Products during the term. All goodwill arising from such use shall accrue to the Supplier.

9.2 The Distributor shall not register or apply to register any of the Trademarks or any confusingly similar sign, nor any domain name incorporating the Trademarks, and shall promptly notify the Supplier of any infringement of the Supplier's intellectual property rights of which it becomes aware.

10. Warranty and Product Liability

10.1 The Supplier warrants that the Products will conform to their specifications and be free from defects in materials and workmanship for the warranty period stated in Annex 1. The Supplier's liability shall be limited to the repair or replacement of, or refund of the price paid for, defective Products, to the maximum extent permitted by applicable mandatory law.

11. Confidentiality

11.1 Each Party shall keep confidential all technical and commercial information disclosed by the other Party in connection with this Agreement, and shall not use or disclose it other than for the performance of this Agreement, during the term and for five (5) years thereafter.

12. Term and Renewal

12.1 This Agreement shall enter into force on 1 January 2022 and shall remain in force for an initial term of five (5) years. Thereafter it shall renew automatically for successive periods of two (2) years, unless either Party gives written notice of non-renewal at least six (6) months before the expiry of the then-current term.

13. Termination

13.1 Either Party may terminate this Agreement with immediate effect by written notice if the other Party commits a material breach and fails to remedy it within thirty (30) days of written notice requiring remedy, or if the other Party becomes insolvent, enters into liquidation or is subject to analogous proceedings.

14. Effects of Termination

14.1 Upon termination or expiry the Distributor shall cease to use the Trademarks and shall, at the Supplier's option, return or resell any remaining stock of Products. Termination shall not give rise to any right of the Distributor to any indemnity for goodwill or clientele, to the maximum extent permitted by applicable law. Accrued rights and obligations shall survive.

15. Compliance

15.1 Each Party shall comply with all applicable anti-bribery, export control, sanctions and competition laws, and shall not engage in any conduct that would cause the other Party to be in breach thereof.

16. Force Majeure

16.1 Neither Party shall be liable for any failure or delay in performance (other than payment obligations) caused by circumstances beyond its reasonable control, provided that it notifies the other Party promptly and uses reasonable efforts to mitigate the effects.

17. Governing Law and Dispute Resolution

17.1 This Agreement shall be governed by and construed in accordance with the laws of Italy, excluding the 1980 United Nations Convention on Contracts for the International Sale of Goods (CISG).

17.2 Any dispute arising out of or in connection with this Agreement shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce (ICC) by one or more arbitrators appointed in accordance with the said Rules. The seat of arbitration shall be Milan, Italy, and the language of the arbitration shall be English.

18. Miscellaneous

18.1 This Agreement, together with its Annexes, constitutes the entire agreement between the Parties and supersedes any prior understanding. No amendment shall be effective unless made in writing and signed by both Parties.

18.2 Neither Party may assign this Agreement without the prior written consent of the other Party, such consent not to be unreasonably withheld. Notices shall be given in writing to the addresses stated above. Nothing in this Agreement shall create any partnership, joint venture or agency between the Parties.
